SEGERSTROM — SHELBY EVENT CENTER —

A Cause to Showcase History

The Segerstrom Shelby Event Center is a place of preservation, education, and celebration. The automobiles and artifacts in this collection conjure memories of a recent past filled with power. This power is unique to America and Southern California. The act of saving and preserving the specialties within these walls is near to our hearts, as is our commitment to helping those who need it most.

Profits from the Segerstrom Shelby Event Center go to the Shriners for Children Medical Center — Pasadena, the Carroll Shelby Foundation, and the National Pediatric Cancer Foundation.

The Shriners for Children Medical Center — Pasadena provides comprehensive medical, surgical and rehabilitative care to children up to age 18 with orthopaedic conditions, burn scars, and cleft lip and palate. Medical Center patients receive all services in a family-centered environment, regardless of the families' ability to pay.

The Carroll Shelby Foundation provides medical assistance for those in need, including children, as well as educational opportunities for young people. The Foundation has continued to aid children battling deadly diseases, while expanding its reach into the classroom through the Northeast Texas Community College's Carroll Shelby Automotive Technology Center.

Carroll Shelby wanted the best for everyone around him. He became a legend by doing what he loved with unparalleled passion. His creations breathe fire and stoke the imagination of all who yearn for that truly American goal: Freedom. Through his foundation, the Carroll Shelby legacy will continue in the relentless pursuit of fighting for a good cause.

On January 20th, 2022, Ted and Rae Segerstrom welcomed Kathy Ireland to the Segerstrom Shelby Event Center for a Grand Celebration in making a public announcement of the two-year partnership with the National Pediatric Cancer Foundation.

"The National Pediatric Cancer Foundation (NPCF) is a nonprofit organization dedicated to research and clinical trials to find less toxic, more effective treatments for childhood cancer. Our purpose is to reduce the side effects of current treatments, improve survival rates, and ultimately eliminate childhood cancer." - NPCF

Ted and Rae Segerstrom have made a commitment to build awareness and support future pediatric cancer research by donating a percentage of museum admission sales to NPCF.

The Segerstrom Shelby Event Center is a testament to passion in multiple ways: Carroll Shelby's love of going fast and creating some of the most iconic vehicles in American automotive history, Mr. & Mrs. Segerstrom's tenacious efforts in not only collecting and restoring some of the most rare Shelby vehicles ever produced, but also building a museum to preserve their place in history, and most importantly, ensuring that future generations benefit through the strategic partnership with three unique establishments, each with its own passion for a good cause.
