Canaletto is located in Newport Beach's Fashion Island.

## Canaletto Ristorante Veneto, Newport Beach

Canaletto Ristorante Veneto, located in Newport Beach's renowned Fashion Island, offers guests the most authentic, complete Venetian dining experience in the country. Canaletto's sophisticated, welcoming Italian ambiance is highlighted by gracious and abundant hospitality, five-star service at every table and a diverse menu with choices for every taste.

Executive Chef Maurizio Mazzon has recreated the authentic foods from his Veneto, Italy homeland through signature dishes starting with classic Venetian breads served with extra-virgin olive oil and balsamic vinegar, fresh seafood, expertly prepared rotisserie and grilled meats, along with poultry and game specialties. *Salumi* cured meats, sliced using a Berkel gravity feed slicer to ensure the meat's flavor isn't changed through the slicing process (electric slicers can warm the meat during slicing) are available at an on-site Italian *Mercato* along with fresh oysters and shrimp, as well as seafood sourced for the restaurant's specialty dishes. Guests will enjoy the extensive menu of risottos prepared to order Veneto-style, homemade and imported pastas, authentic thin-crust Italian pizzas from a wood-burning oven, Italian salads and soups, seasonal *antipasti*, and a wide variety of regional desserts made on-site.

Canaletto's namesake is the famous 17<sup>th</sup> century Venetian artist Giovanni Antonio Canal, known for his large scale cityscapes of Venice. Echoing the painter's style, Canaletto's architecture was inspired by the great restaurants of Venice. The multiple-room interior is designed to comfortably fill the third place in guests' lives, between home and work, a place for a celebratory meal or an after-work drink.

Canaletto's menu, combined with its distinctive wine list sourcing great labels from the same region of Italy, results in a truly authentic Veneto-inspired dining experience for guests at lunch or dinner. Canaletto's expert staff makes guests feel immediately welcome and eager for their return to Canaletto's Italian hospitality.

# Andrei's Conscious Cuisine & Cocktails

Crafting our menu from only the finest local, seasonal ingredients, Andrei's Conscious Cuisine & Cocktails is focused on creating a dining experience like no other in Orange County. Whether you're planning an intimate dinner for 10 or hosting a corporate reception for 300, Andrei's has the ideal setting to accommodate your breakfast, lunch and dinner events. Presenting friendly and professional service, artfully presented cuisine and beautiful surroundings, dining at Andrei's will surely impress you and your guests throughout the experience.

Andrei's offers several venue options for your private events. There is a beautiful and convenient event facility on the ground floor. Andrei's event facility can host as few as 10 guests or as many as 175 seated guests and up to 300 cocktail reception guests. Enjoy a large private patio, stunning onyx bar, 120" projection screen for presentations, a podium and wireless microphone, as well as Andrei's signature cuisine and bar offerings.

For a truly spectacular private event, the entire restaurant may be rented on certain dates. Starting with the two-story granite and limestone lobby and waterfall, follow the stairs to the second floor restaurant to discover a distinctly contemporary and warm atmosphere. The large open windows reveal glimpses of some of the area's most beautiful high-rises, providing a cosmopolitan dining experience right in the heart of Irvine. The sustainable pecan floors, central granite bar and large open floor plan create an ideal environment for a cocktail reception or elegant dinner. There is also a large private terrace for events or dining, complete with an herb and citrus garden, fire features and a 65" screen for presentations.

Paris-trained Chef Yves Fournier sources ingredients from local farms and ranches to invent dishes that delight the senses and provide a creative alternative to standard banquet fare. Andrei's menu options abound, from traditional three-course menus, featuring items like Burrata Mozzarella and Seasonal Tomato Salad and All-Natural Filet Mignon with Black Truffle Sauce, to sumptuous buffets and stations serving everything from an array of sliders to custom pastas. Andrei's California-inspired private event menu offers something for every palate. The bar subscribes to the same philosophy, using only fresh juices, fruits, herbs and liquors to develop a tantalizing array of specialty cocktails and a wine list that is equally thoughtful and diverse.

Owner Natalia Ostensen opened Andrei's in 2009 as a tribute to her late

brother Andrei and his belief in eating natural, local and sustainable food, while also supporting a relaxing, friendly and inspiring atmosphere for guests. In order to further these ideals, all of the restaurant's profits are donated to the Andrei Foundation ([www.andreifoundation.com](http://www.andreifoundation.com)), which supports a number of local charities.

Andrei's is wonderful for corporate meetings, charitable events, weddings, b'nai mitzvahs, holiday parties, tradeshow, anniversaries and birthday celebrations. For event facility information and reservations, please contact Jennifer Simmons at 949.387.8750 or [Jennifer@andreisrestaurant.com](mailto:Jennifer@andreisrestaurant.com).
