HOLIDAY STATEMENTS

by Lugano Diamonds

It's officially here: the busiest season of the year with events and parties galore. The holiday trend is statement dressing and 'tis definitely the time to sparkle! Lugano Diamonds, world renown for their wearable works of art and one-of-a-kind jewelry creations, offers guidance on making your very own holiday statement this season.

CHOOSE A STUNNING CENTERPIECE

Is your necklace the focus? Wear stud earrings and minimal rings or bracelets. Dramatic earrings are perfect for bringing attention to your face. Pass on the necklace, brooch or bangles and wear a striking ring to polish off the look. The goal is to keep your look, refined, elegant, simple.

KNOW WHEN TO STOP

An arm of bangles means you should think minimal with your necklace and earrings. Who needs a watch? Focus on a bracelet or magnificent ring instead for a cleaner look. And, as always, diamonds are the ultimate. They go with everything!

Most important advice is to smile, laugh, have fun and spread the holiday joy!

This Lugano Opal Drop Necklace is drop dead gorgeous. Period. Wear it with winter white, black or deep colors of green and blue and be the center of the conversation.

Lugano Diamonds' Rose Cut Chandelier Earrings are a dramatic, elegant statement. With nearly 26 carats of diamonds, the sparkle and movement will initiate conversation wherever you go. Make these stunning earrings the statement of your holiday attire..

Magnificence is defined with this Lugano Royal Ruby Ring. A 3.03 carat Pigeon Blood Ruby center stone is surrounded by 8 marquise diamonds and 14 round diamonds. No bracelet needed. Just add earrings and add sparkle wherever you go.

Alzheimer's ORANGE COUNTY

Alzheimer's Disease: An Epidemic in Orange County

Calling Alzheimer's an epidemic is not an exaggeration. More than 5.4 million Americans today are living with Alzheimer's disease or another form of dementia, and studies show that around 84,000 people are affected right here in Orange County. As the fourth leading cause of death in Orange County, Alzheimer's inflicts devastating physical, emotional and financial burdens on those it affects and their loved ones. Because there is no way to prevent, treat or cure the disease, the impact of Alzheimer's will only grow worse.

Alzheimer's Orange County's 45 caregiver support groups are just one of its many no-cost services and programs to help those in OC affected by Alzheimer's and dementia.

Serving the Community

Alzheimer's Orange County strongly believes that in the absence of a cure, excellent care is the best medicine we can provide. For nearly 35 years, our organization has provided quality care and support services to thousands of individuals affected by Alzheimer's and their loved ones to help mitigate the emotional, physical, psychological and financial burdens of managing the disease. From our 24/7 Telephone Helpline, our Family Care Consultations with our expert social workers, our 45 Caregiver Support Groups throughout the county, our social programs for those in the early stages of the disease, to our hundreds of free community classes on dementia care education—We are here to help everyone who needs our assistance, at no cost.

More Help for Families is Here

Most recently, we took over the operations of an adult day center, South County Adult Day Services, and moved it into a beautiful, brand new facilities in Laguna Woods. By taking on an adult day center, we are able to build on our existing programs and services to offer very direct and in-person physical care services for those struggling with the disease. Other critical services for caregivers, like "as-needed" respite care, are also in development. Our families need us – and we are here.

Join Our Fight Against Alzheimer's and Dementia

2016 was a year of tremendous growth for our organization. We continued our vital services and programs, and also innovated and created new programs, like our new adult day center. These new programs will help us provide even more direct care to the thousands of residents of Orange County who are affected by Alzheimer's disease and dementia.

The expansion of our services and programs is made possible by supporters of our Direct Care Campaign. We are only \$250,000 short of our \$1 million dollar goal to fund

expansion of more critical direct care services. Help us achieve our goal, and join our fight against Alzheimer's disease and dementia right here in our community.

Make an impact. Learn more and donate now by calling 949.955.9000 or visiting www.alzoc.org/directcare

About Alzheimer's Orange County

Alzheimer's Orange County provides programs and services, free of charge, to Orange County residents with Alzheimer's and related dementia disorders, their families, caregivers, and the community. Alzheimer's Orange County began as an independent 501c3 nonprofit in 1982, became a chapter of a national nonprofit in 1984, and in December 2015, regained its independence once again, with all fundraising going toward care, support and research in Orange County, California. Alzheimer's is a devastating neurodegenerative illness that weakens the memory and other cognitive and emotional functions. For more information, call the 24/7 Helpline at 1-844-HELP-ALZ, or visit www.alzoc.org.

Tangible Investments Inc.

Most investors these days have substantial exposure to the stock market. Even in the best of times, expert financial planners recommend diversification. In today's environment, it's tremendously risky not to have truly diversified portfolios. In a recent study of stock market patterns over the past 100 years, it was found that there were 20 major crashes.

Eight crashes occurred with drops between 20–30%, five drops between 30–40%, four between 40–50% and one major crash that fell 89% — with all of these based on the Dow Jones Industrial Average.

Now, the major issue that most tend to overlook is what is the recovery time? From the 1929-31 crash, it took over 20 years to recover. The 1966 crash took 16 years! The 2000 crash took six years and the most recent crash in 2007, with a bottom in 2009, took five years to get even.

One more factor to keep in mind before discussing how to protect yourself is that the Dow is really a moving target. The returns are greatly inflated because stocks are constantly changing! The gurus want to point out that the Dow is up double-digits on average annually, which is not so. Dozens of stocks have been replaced and some actually went bankrupt.

Now here is the protection. In the 100-year study, gold was graphed next to the Dow in each of the crash periods. Gold maintained or increased in value each and every time. Here are the highlights: in the 1929–33 market crash, the Dow was down 89% and gold was up 68%; in the 1966–74 crash, the Dow was down 38% and gold was up 426%; in the 1999–2003 crash, the Dow was down 31% and gold was up 58%; in the 2007–09 crash, the Dow was down 52% and gold was up 73%.

Gold acts as the ultimate diversification for major market corrections. It is an insurance policy for your portfolio and an essential part of any balanced portfolio.

Located inside the new Mariner's Pointe plaza, Winston's Crown Jewelers boasts a collection of high-end jewelry and watches that compares to no other store in Southern California. Family-owned and operated, Winston's Crown Jewelers' history can be traced back to 1969 when Winston's Jewelers in Costa Mesa, California, was first established. At the age of 16, Glenn Verdult took an interest in jewelry while working for his uncle Winston Verdult who first opened the business. Gaining extensive knowledge in the estate jewelry and pawn business, Verdult soon opened his own store two years later, and soon after that purchase his uncle's business in Costa Mesa. Now almost 40 years later, he runs Winston's Crown Jewelers with his wife Michelle Verdult. We ask the proud parents of seven children, to what do they owe the success of their business.

"Our success can be accredited to offering our clientele an exceptional 'deal.' Whoever a person might be, they will always be looking for the best price for the best quality. This is what Winston's Crown Jewelers is known for."

Specializing in estate pieces, Winston's Crown Jewelers' watch collection is beyond belief. Canaletto is located in Newport Beach's Fashion Island.

Canaletto Ristorante Veneto, Newport Beach

Canaletto Ristorante Veneto, located in Newport Beach's renowned Fashion Island, offers guests the most authentic, complete Venetian dining experience in the country. Canaletto's sophisticated, welcoming Italian ambiance is highlighted by gracious and abundant hospitality, five-star service at every table and a diverse menu with choices for every taste.

Executive Chef Maurizio Mazzon has recreated the authentic foods from his Veneto, Italy homeland through signature dishes starting with classic Venetian breads served with extra-virgin olive oil and balsamic vinegar, fresh seafood, expertly prepared rotisserie and grilled meats, along with poultry and game specialties. *Salumi* cured meats, sliced using a Berkel gravity feed slicer to ensure the meat's flavor isn't changed through the slicing process (electric slicers can warm the meat during slicing) are available at an on-site Italian *Mercato* along with fresh oysters and shrimp, as well as seafood sourced for the restaurant's specialty dishes. Guests will enjoy the extensive menu of risottos prepared to order Venetian-style, housemade and imported pastas, authentic thin-crust Italian pizzas from a wood-burning oven, Italian salads and soups, seasonal *antipasti*, and a wide variety of

regional desserts made on-site.

Canaletto's namesake is the famous 17th century Venetian artist Giovanni Antonio Canal, known for his large scale cityscapes of Venice. Echoing the painter's style, Canaletto's architecture was inspired by the great restaurants of Venice. The multiple-room interior is designed to comfortably fill the third place in guests' lives, between home and work, a place for a celebratory meal or an after-work drink.

Canaletto's menu, combined with its distinctive wine list sourcing great labels from the same region of Italy, results in a truly authentic Veneto-inspired dining experience for guests at lunch or dinner. Canaletto's expert staff makes guests feel immediately welcome and eager for their return to Canaletto's Italian hospitality.

Corporate Events at the Speed of Sound

Are you looking to do something different for your team's next corporate outing or off-site meeting? Then Flightdeck is the ideal wingman to "cover your six" from an attack by "Been There, Done That" meetings and events.

By combining the challenge and thrill of flying high-performance F-16 fighter jet flight simulators with your event's goals, Flightdeck delivers superior value. Whether it's an incentive outing, team-building session or a fun, social event, we develop your mission to be engaging and entirely unique, giving your group a corporate event experience like no other.

Once you step through Flightdeck's doors, you'll feel like you've entered a military installation. Instructors in flight suits greet you at the door, military aviation memorabilia is scattered throughout the facility and air traffic controllers supervise the ongoing flights from the OpCon Room. In the "hangar" there are nine flight

simulators networked to fly in the same air space, each with a 13-foot projected video display and full-size cockpits with realistic instrumentation. In the Officers Club, participants watch and listen to all the aerial action on large LCD TVs while enjoying their food and beverages.

Pilots participate together in aerial maneuvers, air-to-air combat and aircraft carrier landings. No flight experience is necessary and everything is provided – from flight suits and aviation headsets to pre-flight briefings – ensuring a realistic, adrenaline-inducing aerial adventure. Once everyone has flown, the scores are tallied and special award certificates are handed out to certain pilots for unique aerial endeavors, and then the TOP GUN award is given to the top-scoring pilot.

Execute a perfect landing for your next event at Flightdeck Flight Simulation Center! For more information, see our website at www.Flightdeck.com, call 714.937.1511 or email us at Fly@Flightdeck.com.
