# Celebrating 10 Years of Exquisite Jewelry, Superior Service and Remarkable Experiences

*Lugano Diamonds is honored to celebrate our 10th anniversary milestone. Orange County is a thriving and philanthropic community where we have had the privilege to build a business and nurture relationships with a loyal clientele. Thank you for the support and we look forward to providing exquisite jewelry, superior service and remarkable experiences for many years to come.*

Moti Ferder, President and Design Director, has incorporated his vast industry knowledge to transform Lugano Diamonds into an international jewelry brand featuring creative and custom pieces. Today, Ferder is still designing unique jewelry, including the newly introduced Prenite Egg Earrings. A fascinating and detailed mosaic of over 48 carats of prenite, tsavorite and round brilliant diamonds makes these baubles a true work of art.

The Multi-Color Diamond Pendant is another one-of-a-kind Lugano Diamonds piece featuring a magnificent display of nearly 6 carats of mixed multi-colored and round brilliant diamonds in various shapes, sizes and cuts, suspended from a decorated, double platinum chain.

An exclusive collection of exceptional gemstones has made Lugano Diamonds a renowned resource for rare gems and custom designs, with beauty and artistic craftsmanship apparent in every signature piece. The Pink Diamond Flower Ring and the Pink and White Diamond Earrings, both showcasing the highly-desirable fancy pink diamond at their center, are reflective of Lugano's unparalleled dedication to fulfilling every guest's dream design.

Since Lugano Diamonds is known for its original jewelry and controls all facets of production from origin to design to sale, they are able to provide the best quality stones at a great value. Additionally, Lugano's diverse collection allows guests to shop all sizes, prices and occasions. Lugano's feminine and darling Butterfly Studs for example, can be designed around a guest's desired diamond size.

Lugano Diamonds' colorful Titanium Bangle Bracelets fall on one end of the price and occasion spectrum, while the Flexible Diamond Spiral Bracelet, encrusted with nearly 45 carats of round brilliant diamonds, is better fit for a more upscale occasion.

Over the years, Lugano Diamonds' salons have maintained a warm and inviting, yet modern and luxurious atmosphere to make every guest's visit a memorable one. The Lugano experience offers the highest level of service and the company's collection continues to exceed expectations with beautiful and breathtaking jewelry, like the recently released Emerald City Ring. This remarkable ring features a 4.41 carat cushion emerald surrounded by round brilliant diamonds, as well as additional emeralds that gorgeously outline the black gold setting.

Since 2003, K1 Speed has become the nation's largest indoor kart racing chain with 26 centers nationwide, with more locations to open in the future. We are proud to offer you the largest indoor race cart track in the U.S., along with high-performance, zero-emission European electric karts.

Our nationwide indoor go kart racing locations are open to the general public 7 days a week when not reserved for a private event. Whether you want to race against the clock or race against a friend, our Arrive and Drive allows individuals to come in and shoot for the best fast lap against friends, family and other racers. With each race, you'll receive a Race Result Sheet based on our K1RS system that allows you to compare your times and rank against other drivers, and you can even check your results online to see how you fare against the best of the week or month. Each Arrive and Drive session lasts for about 10 minutes and may include 1 to 12 drivers, depending on the location and track size. First-time drivers will receive a mandatory briefing session on rules and safety.

K1 Speed Irvine and Anaheim brings electric indoor go kart racing to the Orange County area! Whether you're a diehard racing enthusiast or are interested in trying authentic, European-style kart racing for the first time, a visit to K1 Speed is a must! Our facility provides a genuine racing experience that is great for novice and experienced drivers alike; our 20hp electric karts can reach speeds approaching 45mph and our high-grip racing surface allows drivers to push the limit through high-speed corners! Needless to say, don't be surprised if the adrenaline is flowing after your race! And we must warn you, speed can become addictive!

At K1 Speed, our tracks are professionally designed to provide racers with an opportunity to hone their skills and feel the rush of head-to-head racing. K1 Speed Co-Owner Boris Said – NASCAR, American Le Mans and Daytona racecar driver – ensures that every K1 Speed indoor karting center provides an authentic racing experience, and it goes without saying that K1 Speed meets this standard in Orange County. With high-performance electric karts and a racing surface that allows drivers to maximize speed through corners, we believe that K1 Speed is the clear choice for indoor go kart racing in the Orange County area, and we think that you'll agree as soon as you turn your first lap!
